SENATE BILL No. 314

DIGEST OF INTRODUCED BILL

Citations Affected: IC 5-28-6.5.

Synopsis: State economic development incentives. Provides that certain state economic development entities may not provide specified economic development incentives after June 30, 2009, to or for an employer unless the employer agrees and certifies to that effect that the employer will not, solely because of the location of an individual's residence within Indiana, prohibit the individual from applying for employment with the employer. Specifies that if a state economic development entity determines after a public hearing that an employer has violated this provision, the employer forfeits the economic development incentive and must repay to the state any part of the economic development incentive that has been provided to the employer.
